Year 6 Newsletter

Year 6 have had an action-packed half-term and have been progressing well with their learning.

The Year 6 team consists of our teachers: Miss Cooper and Mrs Harris and TAs Mrs Faleel and Mrs Sheraz.

Home Learning

In Year 6, it is vital that children complete their home learning every week. Homework is given out on a Friday and due in on Wednesdays.

Spellings

Memorising your spellings is also crucial, as it will enable you to learn the spelling patterns needed for your writing. Spelling tests are on Fridays.

Reading Books

Reading books are changed on a regular basis. Please make sure that reading books and reading diaries are brought into school **every day!**

Times Tables Rock Stars

Please continue to encourage children to practice their times tables at home using the TTRS website: www.ttrockstars.com

English

In English, we have been looking at the story of 'Journey to Jo'burg'. We wrote a narrative, as well as a diary entry about the story. The pupils really enjoyed this text and have produced some excellent pieces of writing.

Mathematics

In mathematics, the children have been looking at fractions, decimals and percentages. They then applied their knowledge to a shopping-based investigation, which provided them with the context of how these skills can be used in real life.

The children then looked at measurement and practiced converting different units of length, mass and capacity. They also studied area and perimeter and developed their understanding of volume.

Science

Our science topic this half term has been 'electricity'. We have looked at different types of electrical circuits and learned the scientific symbols for the different components. Children investigated the impact of voltage on the brightness of a bulb and also had the opportunity to design and make their own working switches!

Art

In Art, the children have been using batik to create their own African-style patterns and masks!

History

In History, the children have been studying the Kingdom of Ancient Benin. They have enjoyed learning about the story of Eweka and discovering how the kingdom began.

SPARK!

This half-term, the children have continued to enjoy participating in their SPARK activities on Friday afternoons. Children were given the opportunity to choose a new activity in which to participate, with a wide variety of options including: sign language, entrepreneurial club, sports and animation.

Spelling Bee

Well done to all the children for participating in this term's spelling bee competition. Look out for the dates of the next competition, coming soon..!

Have a fantastic break – stay safe and come back well-rested and ready to learn!

Merry Christmas and a Happy New Year.

Year 6 Team
