31st March 2022

Dear Parents/Carers,

The year 6 staff have kindly given up their planning time on Fridays to give your child the best possible opportunities to do well in their SAT's. So, we are keeping school open for them on Friday afternoons starting on **FRIDAY 8th APRIL 2022**. This means they will finish school at **3.15 pm every Friday until SAT's are over on Friday 13th May 2022**.

We know this can be a worrying time for the pupils. The more time we can give them to practice and learn, the more confident they will become in both the question styles and the content they cover.

I am sure you will help us in supporting your child through this time as we work together in providing the best opportunities for them to achieve well.

Yours sincerely

Sofina Islam OBE
 Headteacher
