1. Aims

We are committed to meeting our obligations with regards to school attendance by:

- Promoting good attendance and reducing absence, including persistent absence
- Ensuring every pupil has access to full-time education to which they are entitled
- Acting early to address patterns of absence

We will also support parents to perform their legal duty to ensure their children of compulsory school age attend regularly, and will promote and support punctuality in attending lessons.

2. Legislation and guidance

This policy meets the requirements of the [school attendance guidance](#) from the Department for Education (DfE), and refers to the DfE's statutory guidance on [school attendance parental responsibility measures](#). These documents are drawn from the following legislation setting out the legal powers and duties that govern school attendance:

- Part 6 of [The Education Act 1996](#)
- Part 3 of [The Education Act 2002](#)
- Part 7 of [The Education and Inspections Act 2006](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006](#) (and [2010](#), [2011](#), [2013](#), [2016](#) amendments)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013](#)

This policy also refers to the DfE's guidance on the [school census](#), which explains the persistent absence threshold.

3. Roles and responsibilities

3.1 The governing board

The governing board is responsible for monitoring attendance figures for the whole school on at least a termly basis. It also holds the headteacher to account for the implementation of this policy.

3.2 The headteacher

The headteacher is responsible for:

- Implementation of this policy at the school
- Monitoring school-level absence data and reporting it to governors
- Supporting staff with monitoring the attendance of individual pupils
- Issuing fixed-penalty notices, where necessary

3.3 The attendance officer

The school attendance officer:

- Monitors attendance data across the school and at an individual pupil level
- Reports concerns about attendance to the headteacher
- Works with education officer at the Local Authority to tackle persistent absence
- Arranges calls and meetings with parents to discuss attendance issues
- Advises the headteacher when to issue fixed-penalty notices

3.4 Class teachers

Class teachers are responsible for recording attendance on a daily basis, using the correct codes, and submitting this information to the school office.

3.5 School office staff

School office staff are expected to take calls from parents about absence and record it on the school system. The Office will make first day calls to all families when a child is absent.

4. Recording attendance

4.1 Attendance register

We will keep an attendance register, and place all pupils onto this register.

We will take our attendance register at the start of the of each school day and after lunch break. It will mark whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment
- See appendix 1 for the DfE attendance codes.

We will keep every entry on the attendance register for 3 years after the date on which the entry was made.

Pupils must arrive in school by 8.40 am on each school day.

The register for the first session will be taken at 8.45am and will be kept open until 9.15am. The register for the second session will be taken at 1.05 pm and will be kept open until 1.35 pm.

4.2 Unplanned absence

The pupil's parent/carer must notify the school on the first day of an unplanned absence by 9.00am or as soon as practically possible (see also section 7).

- Parents can call the office on 02476688992 after 8 am on the day or leave a voice mail message on the school system.
- Parents can also e mail school at admin@stantonbridge.coventry.sch.uk

We will mark absence due to illness as authorised, once supporting evidence has been received.

The school will ask the pupil's parent/carer to provide medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents/carers will be notified of this in advance.

4.3 Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent/carer notifies the school and provides evidence in advance of the appointment.

Notification can be made by either email at admin@stantonbridge.coventry.sch.uk or in person at the school offices during office hours 8.00am to 5 pm.

However, we strongly encourage parents/carers to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent/carer must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

4.4 Lateness and punctuality

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code
- After the register has closed will be marked as absent, using the appropriate code

School will monitor lateness on a regular basis and hold parent meetings where required. The result which could lead to a parenting contract or further actions being taken.

4.5 Following up absence

Where any child we expect to attend school does not attend, or stops attending, the school will:

- Follow up on their absence with their parent/carer to ascertain the reason, by first day telephone calls or when contact has not been made and there are concerns over the child's

wellbeing a home visit may be made. The school will ensure proper safeguarding action is taken where necessary.

- Identify whether the absence is approved or not
- Identify the correct attendance code to use

4.6 Reporting to parents

Parents/carers are informed annually in the written end-of-year report, at parents evening meetings and termly for those with 100% attendance. Regular meeting with parents will take place to discuss poor attendance. These families will be closely monitored and support will be offered to improve attendance.

5. Authorised and unauthorised absence

5.1 Approval for term-time absence

The headteacher will only grant a leave of absence to pupils during term time if they consider there to be 'exceptional circumstances'. A leave of absence is granted at the headteacher's discretion.

We define 'exceptional circumstances' as death of close relative.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request.

Valid reasons for **authorised absence** include:

- Illness and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parents belong. If necessary, the school will seek advice from the parents' religious body to confirm whether the day is set apart
- Other possible 'exceptional circumstances' where the headteacher of school may grant term-time holiday for specific family reasons or travelling abroad for passport renewals or legal reasons for absence.

➤ 5.2 Reducing persistent absence

- Procedure to reduce persistent absence.
- Where unauthorised absence is an issue the parents will firstly be spoken to ascertain reason for the absence.
- Secondly parent meetings will be held in school to discuss any issues there may be and a target set for improved attendance. Targets are to be reviewed every two weeks. Penalty notice sanctions are to be explained.

- Failure to see any improvement will indicate the need to move to a parent contract with penalty notice sanctions and the possible referral to services to support the family

5.3 Legal sanctions

The school or local authority can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age.

If issued with a fine, or penalty notice, each parent must pay £60 within 21 days or £120 within 28 days. The payment must be made directly to the local authority.

Penalty notices can be issued by a headteacher, local authority officer or the police.

- The decision on whether or not to issue a penalty notice may take into account:
- The number of unauthorised absences occurring within a rolling academic year
- One-off instances of irregular attendance, such as holidays taken in term time without permission
- Where an excluded pupil is found in a public place during school hours without a justifiable reason

If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

6. Strategies for promoting attendance

We use various strategies to promote attendance, these are:

- Termly 100% attendance prizes
- Yearly 100% attendance prizes
- Class prizes
- Improved attendance awards
- Certificates
- Rewarding activities
- Attendance race
- Classroom attendance charts
- In class attendance monitoring

7. Attendance monitoring

The attendance officer at our school monitors pupil absence on a daily basis.

A pupil's parent/carer is expected to call the school in the morning if their child is going to be absent due to ill health (see section 4.2).

The pupil's parent/carer is expected to call and update the school each day their child is ill or give the number of days of expected absence based on GP's advice or defined periods of isolation.

If a pupil's absence goes above that number of days, the school will contact the parent/carer of the pupil to discuss the reasons for this.

If a pupil's absence continues to rise after contacting their parent/carer, we will consider involving services or put in place a parent contract.

Pupil-level absence data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. The school will compare attendance data to the national average, and share this with the governing board.

- Attendance data is collected daily via the schools SIM system and stored on the schools server with cloud back up. We:
- Track the attendance of individual pupils
- Identify whether or not there are particular groups of children whose absences may be a cause for concern
- Monitor and evaluate those children identified as needing intervention and support
- Monitor and evaluate attendance for school's reward schemes.
