Dear parents/carers,

It has been brought to our attention that some of our pupils in upper KS2 have access to an electronic device and are using social media inappropriately. We do not advise that children communicate with their classmates via mobile phones or social media apps outside of school. This sometimes leads to inappropriate conversations and fall outs between children which impacts on their learning.

This letter is to invite parents/carers into school for a workshop which will be delivered by the police. The workshop will take place *Wednesday 20th Sept 3.00-3.30pm*.

It important that you attend this meeting as it will be relevant to safeguarding your child/ren. This is an ongoing issue that many schools are facing. Many recent events are highlighted on news outlets, reporting significant incidences taking place in schools which stem from social media apps such as Snap Chat, Tik Tok, Instagram, Whats App etc.

Please sign below to confirm your attendance.

Kindest regards  
Mr Thuhel Abul
