22<sup>nd</sup> April 2021

Dear Parents and Carers,

I am writing this letter to inform you that as of **Monday 26<sup>th</sup> April 2021 the Crabmill Lane entrance to school will be open for use by parents.**

School has been able to make this decision due to the decreasing number of Covid cases both nationally and locally, plus the relaxation of Government guidance as we all prepare to leave the Covid restrictions.

In order to ensure safety guidance is met by all, there will be cones and tape dividing the walk way into 2 sections. We ask that you keep to your right hand side as you come on to the school grounds and join the one-way system. On leaving the KS2 playground, you should also keep to the right as you walk back up to the Crabmill Lane gates. This will ensure that no parents need to cross over each other. Please ensure that you keep a 2m distance from anyone that is not in your family bubble.

In order to make this successful, we will still need your support in keeping to the other guidelines we have in place - you will still need to wear a mask on school site, unless you are exempt, and keep to the safe distancing rules. There will be staff to help you through this transition should you need any.

Together we can make this work, as we have previously done when adjusting to the changes Covid 19 forced upon us. Your support throughout has enabled and will continue to allow us to keep everyone in our school community as safe as possible during such a difficult time.

Yours sincerely  
Sofina Islam OBE
